Dear Thyra Jane:

Upon arriving in Nantucket I have checked with my list of microfilms in the Haverford College Library and find that they do not have those of Salem Monthly Meeting.

I shall appreciate it very much therefore if thee will order for me the six microfilms of the Salem Monthly Meeting records. These are the rolls numbered 84 to 89 at the R. I. Historical Society. I intend to send them on to Haverford when I have finished with them.

$15 per reel + postage + insurance

at Brown Lab

Sold for $18.

I have found in these microfilms a great wealth of materials about Boston that I have not found elsewhere, and am anxious to explore them further.

When I was in Providence I spoke to thee about the possibility of thy checking some of the letters of Samuel Fothergill for me. They appear in the FRIENDS LIBRARY in volume IX.

1) On page 190 is a letter from Samuel Fothergill to James Wilson, dated from Warrington. Will thee please tell me if the of this letter is 11mo.9, 1756 or ~~9mo.11,1756~~?

2) On page 161 is another letter dated 2nd of 8mo.,1755. I shall appreciate it if thee will have the whole letter xeroxed for me.

Thee will find enclosed a typed copy of the material thee gave me last week, giving the names of Boston Friends in the marriage certificates of Salem M.M. I have also added a few names from other sources, which may be of interest to your correspondent at Harvard. I have not yet had a chance to include the names of any representatives from Boston listed in the records of Salem M.M. after 1778

Florence and I enjoyed seeing thee and Henry last week and especially our visit to your home. Florence's hobby being flowers and gardening she expecially appreciated the greenhouse.

Many thanks for all thy help.

Sincerely,

George
